

**SPECIFICATIONS**

A Fixed Basket Holder is the simple, heavy-duty way to hang flower baskets or décor without fuss. It's welded solid, built to hold weight, and doesn't shift or sag, so the basket stays where it's supposed to be.

**Material**

Made from powder-coated galvanized steel for maximum durability and corrosion resistance.

**Finish**

Electrostatically applied TGIC Polyester Powder Coat on substrate prepared with 20 PSI power wash at 140°F. Four step media blast and iron phosphate pretreatment for protection and paint adhesion. 400°F bake for maximum hardness and durability.

**Intended Use**

With no moving parts to loosen or break, it's reliable season after season, giving towns, campuses, or main streets a sturdy, good-looking setup that doesn't need constant attention.
